GIVE WHERE YOU LIVE

## ABOUT US

The Mackay Community Foundation provides an opportunity for individuals, families, and businesses to make donations to support those in need in the region, both now and in the future. The income earned from the capital is used to make community grants.

*The Mackay Community Foundation conducts an annual grant program and encourages appropriate not for profit organisations in the region to apply for grants for charitable projects that fit within the aims of The Foundation.*

The Foundation has been endorsed by the Australian Tax Office as a charity and by the Queensland Office of Fair Trading as fundraising for a charitable purpose. Donations to The Foundation are tax deductible and The Foundation is exempt from tax.

The Foundation is governed by a volunteer Board of Directors, with a wide range of skills, experience and an extensive knowledge of the region's community.

## MISSION

# CHAIR'S REPORT

*As Chair of the Board of Directors of Mackay Community Foundation it is my privilege to present the 2020/2021 Annual Report.*

In 2020/2021 financial year we have continued to see the effects of COVID-19 in our region and on a global scale.

The foundation has always provided the total income derived from investments for the provision of grants above our legislative requirement of four percent of the balance of the corpus of the prior 30th June. Due to the reduced dividends, the board agreed to hold back a small portion of income this financial year, with uncertainty of the value of dividends in the coming financial year due to the impacts of COVID-19. This is to ensure we can continue to meet our four percent grant giving in the 2020/2021 year and not have to draw on the capital of the Foundation.

*We had the pleasure of providing grants to the total of \$60,000 to four well deserving non-profit organisations and more information on their projects are on pages six and seven.*

I would also like to acknowledge our motivated seven board members for their commitment, hard work and support of the Foundation. As the saying goes, "if you want something done, ask a busy person".

This year, the board revisited the foundations business plan and affirmed our ultimate aim of working towards building the corpus to \$10 million invested by 2040 or earlier. This \$10 million invested would enable the foundation to distribute grants in the vicinity of \$500,000 per annum in perpetuity.

We also continue spreading the foundation's story within the community of Mackay by increasing our presence, building awareness of the grants and aims of the foundation.

We also acknowledge that the foundation is something that we would like to see run for generations and it is important for the youth of Mackay to be involved. We were fortunate to have the support of the principal, Andrew Wheaton of Whitsunday Anglican School in which the Community Service Leaders Emmett Withers and Lara Joblin of WAS were involved in the grants process this year. We would like to continue engaging more Mackay senior students in the future.

I would also like to thank Adrienne Rourke and Jody Euler for their service years on the board of the MCF.

Adrienne resigned from the board after providing 6 years of service and was also heavily involved with the administration of the Foundation from April 2010 until June 2013 contracting her services and then our first employee from July 2012 till June 2014. Jody provided 3 years of service and was integral to the new branding of the MCF and assisting us in getting our story out to the community. We love the refreshed logo of the tree which really represents the MCF story.

We welcomed a new board director, in May 2021, Paul O'Connor who brings years of experience in the media industry and has been involved in our community in various board positions.

**To our current supporters and donors, we and the community thank you for your generosity. We hope many more can continue to "Give where they live" and donate to the Mackay Community Foundation. This is a gift that keeps on giving.**

**We invite you to find out more by visiting the MFC's website, [www.mackaycommunityfoundation.com](http://www.mackaycommunityfoundation.com)**

# OUR HISTORY

*The concept for The Mackay Community Foundation began with our founder Scott Alman in 2002. Scott, a partner in a local investment advisory firm was discussing the story below and thought about the impact on the needy if someone had put away some money for Mackay 100 years ago.*

*In 1626, Peter Minuit purchased Manhattan Island from the Algonquin tribe of Indians for trinkets worth about \$24. Given the price of real estate in Manhattan today, we could argue that the Indians were swindled. However, let's assume that the Indians invested the \$24 in a bank account returning 6% per year compounded annually.*

*In 2005 after 379 years the investment would be worth \$66 Billion.*

The key founding principal was to give the Mackay Community the opportunity to 'Give Where You Live'. Secondly that money donated would be invested, and together with the growth, the capital would be retained in perpetuity. Each year the growing income is to be given away to community groups, and projects, to assist those in need in our community.

Scott then set about inspiring other key business and community leaders to join the board of the foundation. The founding board members were; Solicitor Andrew Coates, Accountant Wayne James and Financial Planner Stephen Lowry, with Scott Alman as the chair. Since the beginning the sitting Mayor of Mackay has also held a position on the board.

## AT A GLANCE

Since our establishment in 2003 we have distributed 82 grants to local community groups and charities since inception.

Since our establishment in 2003 we have distributed 82 grants to local community groups and charities since inception.

The Mackay Community Foundation is a member of Australian Community Philanthropy and is one of approximately 45 community foundations across Australia, linked by similar values, ethics and intent and each playing a vital role in their own community providing grassroots support at a local level.

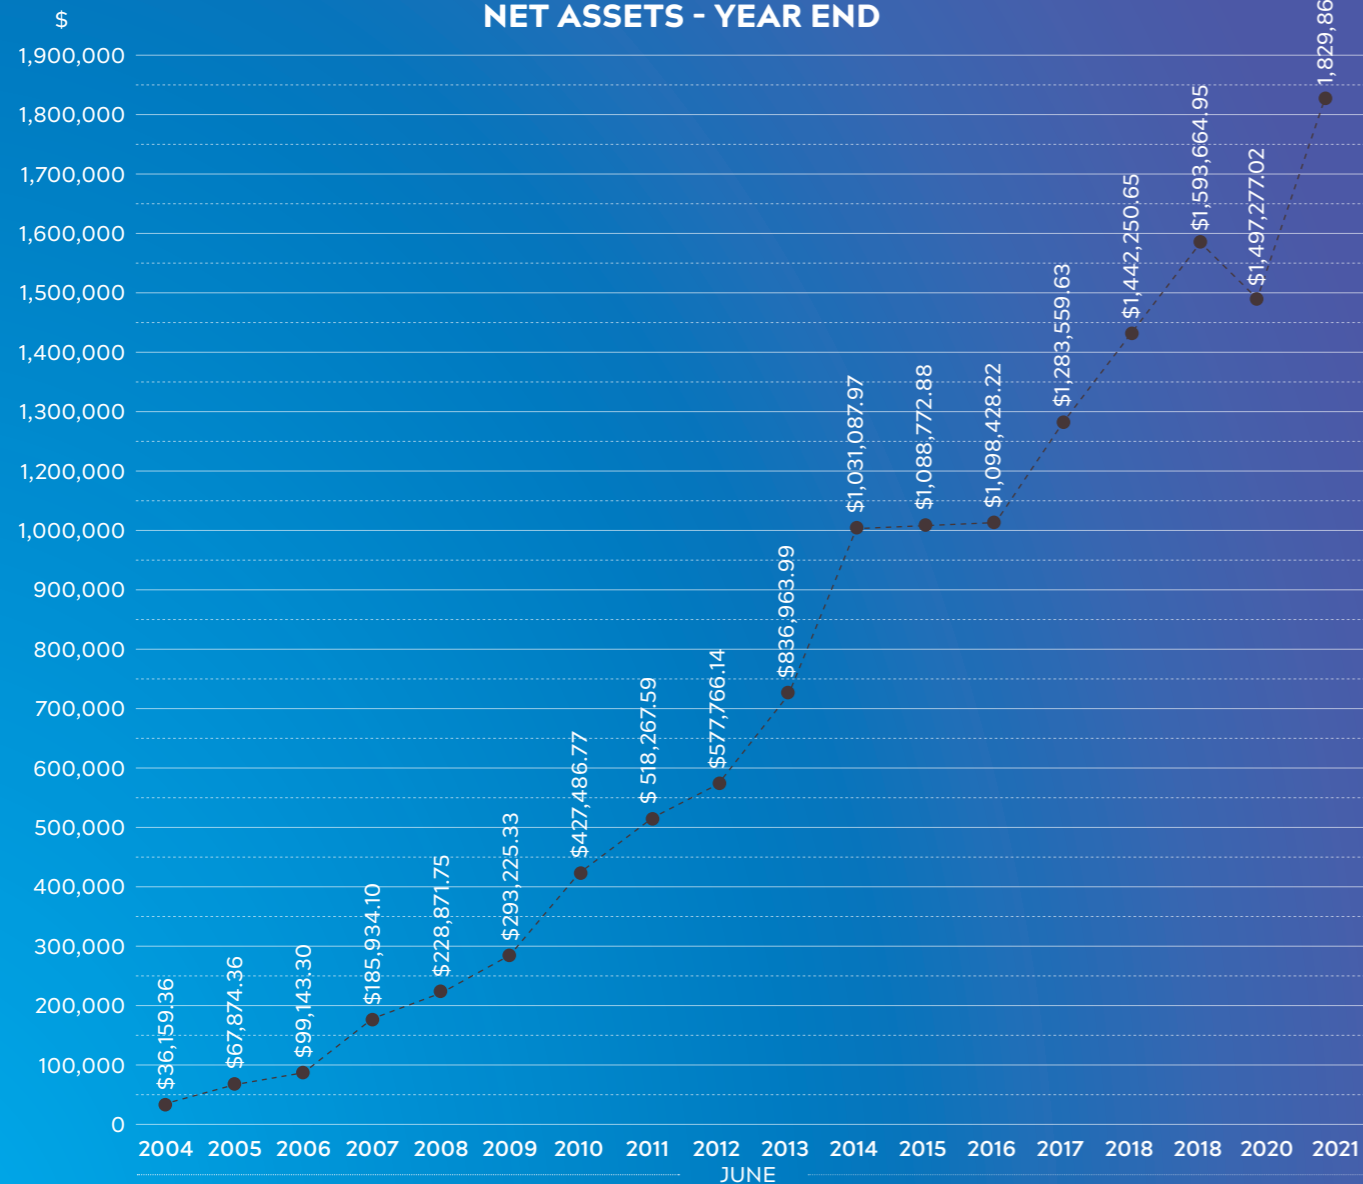

The Mackay Community Foundation provides support to local community groups and charities in the Mackay region which is an area encompassing a population of approximately 140,000 people.

The Mackay Community Foundation managed the 2008 Mackay Flood Appeal, upon request of the then Mackay City Council, raising \$564,566.13 that was distributed directly to Mackay people impacted by this natural disaster.

The Mackay Community Foundation works extremely hard to ensure administrative expenses are kept to a minimum and where possible source donated services and support. Fifteen percent of each dollar donated to the Foundation is directed to the administration account to assist with the costs associated with enabling the Foundation to deliver its mission:

TOTAL COMMUNITY GRANTS TO DATE: \$1,372,625

### NET ASSETS - YEAR END

## GRANTS COMMITTEE REPORT 2020-2021

There was 1 grant round offered in March - April inviting applications for projects in the \$10,000- \$30,000 range to allow an organisation to look at actual program development, capacity building and innovative approaches to bring about social change and positive impact for those experiencing disadvantage.

The Foundation Grants program provides funds to help, aid, provide relief or support persons in distress in Mackay and surrounding districts. We do this by working with eligible organisations that primarily offer community education, care services, housing or personal support services, through a grant application process. In 2020- 2021, the Foundation provided a total of \$60,000 to our successful organisations who come from the Healthcare, Disability, Community Development, Women's Services and Youth community support sectors.

## GRANTS

### DOMESTIC VIOLENCE RESOURCES SERVICES: \$17,725

The MCF has provided a grant of \$17,725 to the Domestic Violence Resources Services Mackay for a project that will deliver a unique Domestic Violence awareness campaign and a series of face-to-face intervention and prevention sessions supported by a Business Toolkit to business leaders and employees throughout the Mackay region.

### ABORIGINAL TORRES STRAIT ISLANDER COMMUNITY HEALTH SERVICES (ATSICHS): \$4,275

To assist in the recovery of COVID-19 within our community, \$4,275 will be utilised to fund a Medisafe Vaccine Fridge and Medisafe UPS Battery Pack. These items will facilitate the storage of COVID-19 vaccinations and this vaccination hub is not only for First Nations people, anyone in the community can obtain the vaccinations from ATSICHS.

### ALL ABILITIES: \$28,000

These funds will support the cost of air conditioning for the Summer House. Summer House is open as a learning and friendship hub for children and families living with a disability.

< This air-conditioning will allow for All Abilities to expand their activities in the summer months as at present they find when it rains or is very hot they have to come indoors and there is only one room that is currently air-conditioned that cannot fit everyone in this room attending a play session. Summer House is open to all children in the local area but is a safe area for disabled children to explore and play with others.

### AUSTRALIAN STREET AIDE PROJECT (ASAP): \$10,000

Australian Street Aid Project strongly believes that the Mackay community's most disadvantaged demographic group would truly benefit from better access to medical care, and that the Emergency Department would also benefit from better prevention methods being in place, resulting in fewer admissions.

The \$10,000 grant will be utilised as a "Specialist Homelessness Medical Funding pool", which can be used to assist people who are experiencing homelessness with:

- Research into, and procurement of, a fit for use structure
- Accessing medical care from Mackay CBD GP clinics, dentists and other essential medical services
- Transporting clients to and from medical appointments when necessary (e.g. client unable to walk long distances)
- Guidance and assessment from our ASAP Registered Nurse who can ensure better rates of continued care by assisting with dressing wounds, GP liaison, patient education on conditions and medications
- Assisting clients to fill scripts that are deemed essential to their mental and/or physical health by GP.

## HOW YOU CAN HELP

The Mackay Community Foundation is an option for donors who wish to 'Give Where They Live' and assist a range of local charitable organisations and projects.

### MAKE A LONG-TERM DIFFERENCE

The Mackay Community Foundation encourages individuals and businesses to make donations to The Foundation and the capital they donate is retained in a trust fund with the income used to meet the needs of those in need in the local community for generations to come.

### BECOME A DONOR

Our community foundation is different from most other charitable organisations. The initial donation/gift you make becomes the capital and the funds are invested with an emphasis on security under the guidance of professional investment advisers. The income earned from investing donations is distributed to the Mackay community now, and the capital fund will continue to grow over the generations accumulating a growing income to distribute to our regions less fortunate forever.

## Donating Options

Donors can make their donation in several ways depending on their wishes:

### ◀ GENERAL DONATION

All donations are tax deductible and invested in the capital fund that will continue to support the foundation giving back to the community for years to come.

### ◀ NAMED FUND

Create a legacy for an individual, family or business by establishing a Named Fund that will support the local community for generations to come. See our donors page for our named funds.

### ◀ BEQUESTS

People can donate as a bequest in their Will. The bequest can be recognised by name if the donor wishes or it can be an anonymous gift. Please contact The Foundation to discuss the instructions you need to include in your Will.

### ◀ HONOURING THE PAST – SECURING THE FUTURE

This program is an exciting fundraising campaign which not only secures funds for the future. The program also provides an opportunity to celebrate those who have made a significant contribution to our community in the past by honouring their story. Only 150 people will be honoured. The required donation is \$2,300

### ◀ WORKPLACE GIVING

A simple, yet highly active means for businesses and employees to together make an ongoing valuable contribution to the community.

### ◀ FUNDRAISING EVENTS

We welcome supporters wishing to organise an event to raise funds for The Foundation.

## HONOURING THE PAST – SECURING THE FUTURE

Honouring the Past - Securing the Future is an ongoing fundraising initiative from The Mackay Foundation.

By making a donation to Mackay Community Foundation, Honouring the Past - Securing the Future project, community members are able to recognise an individual that has made a significant contribution to the region over the past 150 years. The program is open to individuals, families, small businesses, larger organisations, service groups, sporting clubs and the like, who wish to support those in need in the Mackay community for generations to come.

Honouring the Past - Securing the Future provides an opportunity to celebrate our early community while creating a supportive and lasting legacy for the future of Mackay.

Seeking 150 donations the project will compile a dossier of those recognised, to be housed in the Heritage Collection at the Carmel Daveson Research Room at Mackay Regional Council Library, and with the Mackay Family Historical Society.

Importantly, all donations will help to build a substantial capital fund for the Mackay community, ensuring those in need are supported, both now and into the future.

## NAMED FUNDS

The Mackay Community Foundation makes it easy for organisations, individuals or families to support community projects in their area by establishing a Named Fund.

A donation is invested with other trust funds, but grants made from the donation are acknowledged as being made from the Named Fund. The original donation is never spent but keeps on giving to the community long after the money or asset was donated.

A Named Fund is ideally suited to an individual, family or business wishing to provide support to a range of charities and community groups in Mackay, leave an ongoing legacy to the community, or honour a family member, friend or outstanding citizen

They are an alternative to Private Ancillary Funds (PAF) offering some very real benefits to the donor.

- < Funds are referenced and acknowledged in the name specified by the donor. This can be an individual, partners, family names, a business name or in the memory of someone.
- < The fund is named from the outset, although the initial minimum contribution can be made over a period of years. \*
- < The donor can participate in the fund as little or as much as they desire.
- < Ongoing contributions, whilst not essential, are recommended at least for a few years.
- < Donations to the fund are tax deductible.
- < Named fund donors can be involved in presenting grants from the fund if they wish.
- < The fund continues into perpetuity, even after the donor's passing.

Donors may indicate a preference that a particular group or type of eligible projects benefit from its donation. By establishing a Named Fund with The Mackay Community Foundation donors are ensuring that the local community will receive perpetuity grants from their fund, rather than a once off donation.

**We are happy to discuss this or any other options with you, confidentially and totally obligation free.**

\* The minimum contribution is \$11,500 over three years and includes a 15% fee for administration.
